### Step into the Arts Learning Grant

On Tuesday, January 22, 2008, Susan Corl, a felt artist, will begin working with the students. Montessori de Santa Cruz has been awarded a "Step into the Arts Learning Grant" thanks to the efforts of Leah Karam. The grant classroom workshops will run through February 5, 2008. Ask your children if they are enjoying the workshops next week.

### Fish and Wildlife Programs

On Wednesday, January 23, 2008, Juliette Gutierrez, of the U.S. Department of Fish and Wildlife, will give the presentation, "Owls Are A Hoot!" at 8:30 a.m. for the Lower Elementary and Pre-Primary and the presentation "Let's Go Batty!" at 9:30 a.m. for the Upper Elementary classroom.

### Jump Rope for Heart

Jump Rope for Heart is scheduled for Thursday, February 14, 2008. Jump Rope for Heart is an education based program designed by the American Heart Association. The students that participate will receive heart health education, the opportunity to help influence life saving research and will enjoy the health benefits of jumping rope. More information will follow in the up-coming weeks.
